The Phoenix Society honours individuals who make estate commitments or life-income arrangements to support the University of Chicago. Such gifts provide important ways to strengthen and sustain the University’s future.

You can become a lifetime member by funding a life-income gift or simply notifying us that you’ve planned a gift to the University in one of the following ways:

- included the University in your will or trust
- named the University as a beneficiary of a retirement plan, life insurance policy, or financial account
- provided important honors individuals
- invitations to exclusive University events,
- complimentary admission to Harper Lectures, including but not limited to
- As a member, you will receive benefits
- named the University as a beneficiary of
- included the University in your will or trust
