 archaeology and art, the region is rich in history and natural beauty. For more than 1,000 years, Syracuse was the most populous of all Greek cities. The Roman Republic later acquired control over Magna Graecia, which houses an impressive collection of ruins and palaces from the ancient city-state. Among the collection are the Ruins of Syracuse, one of the world's most well-preserved sites.

The rugged island of Sicily was once considered the jewel of Magna Graecia. Indian tribes were the first to settle the region, followed by Phoenicians, Greeks, Etruscans, Romans, Normans, Arabs, Byzantines and the Spanish. In 1860, Giuseppe Garibaldi and his Redshirts conquered Sicily and Italy was born.

SICILY AND ITS MANY CULTURES
The island of Sicily was once considered the jewel of the Roman Empire. These indigenous groups were brought in from across the Mediterranean to work the land and to serve as military and agricultural labor. Italian immigrants brought advanced agricultural practices, citrus orchards, and the ancient art of public speaking. Five centuries later, Syracuse was the capital of the Roman Empire. The Greek theater in Taormina was modeled after the original Greek theater in Syracuse. The Greek theater is one of the best-preserved buildings in Sicily, and is still in use today.

In 1224, the Normans founded Taormina on the island of Sicily. The Normans ruled for nearly 200 years, and their legacy can still be seen throughout the city. The Normans built a series of fortresses along the coast, including the Castello Aragonese and the Castello del Buon Pastore. These fortresses are still standing today, and are a testament to the city’s rich history.

In 1861, Giuseppe Garibaldi led an expedition to Sicily to unify Italy. The Sicilians were among the first to support Garibaldi’s cause, and the island quickly became a symbol of Italian independence. The Sicilians are proud of their heritage, and their culture can be found in the food, language, and architecture. The Sicilians are known for their love of music, art, and literature. The Sicilians are also known for their ability to dance, and the island is home to many famous dance schools.

We reserve the right to terminate any tour due to insufficient registrations. This cancellation policy is subject to the following:
- Cancellation of the deposit will be made only provided there are sufficient funds in your account.
- All cancellations and changes must be in writing.
- The right is retained to decline to accept or to retain any person as a member of this trip who, in the opinion of AHI Travel, is unfit for travel or whose presence or conduct may be detrimental to the comfort or safe travel of the individual passenger. Baggage and personal effects are the sole responsibility of the owners at all times.
- Baggage restrictions vary according to the airline policy and the class of service booked. Check airlines for the most current information.

Please contact AHI Travel at 800/955-0065 with questions regarding the trip or to make a reservation.

AHI Travel reserves the right to substitute hotels and other services or for any substitution of hotels or of common carriers or other services. All such persons or entities are independent contractors. As a result, we act only as agents for the independent suppliers of travel conveyance, transport, accommodations, and other services. All such persons or entities are independent contractors.

All cancellation and change policies are subject to the following:
- If you are unable to travel due to unforeseen circumstances beyond your control, we will issue a credit to be applied towards a future AHI Travel trip of equal or lesser value. This credit is valid for one year from the date of your original reservation.
- If you are unable to travel due to unforeseen circumstances beyond your control, we will issue a credit to be applied towards a future AHI Travel trip of equal or lesser value. This credit is valid for one year from the date of your original reservation.
