Land of the Midnight Sun

Arctic Circle • Norway’s North Cape
White Sea • Lapland

Featuring the Classic Small Ship
M.S. SERENISSIMA

July 17 to 27, 2015
Dear Chicago Alumni and Friends:

In the far reaches of northern Europe, Norway’s North Cape and the expansive White Sea straddle two frontiers—the physical boundary between the Arctic and the European mainland, and the cultural boundary between East and West. Here, a spectacular wonderland of Arctic mountains and soaring fjords dotted with quiet fishing villages and medieval monasteries has remained virtually untraveled for decades, due in part to the region’s vast natural barriers and the Iron Curtain that divided Europe for nearly 50 years.

Join us on this rare and exclusive opportunity to discover the long-obscured jewels of the Land of the Midnight Sun during the magical White Nights of Summer, when the sun seemingly never sets on the region’s spectacular landscapes of fjords, bays, mountains and islands during the best time of year. Cruise from the “Gateway to the Arctic” port of Tromsø along the unspoiled coastline of northern Norway to the austere beauty of the remote White and Barents Seas aboard the exclusively chartered, classic small ship M.S. SERENISSIMA, returning to these northern waters for which it was specifically built to cruise. Accommodating only 90 guests and one of the very few passenger vessels to cruise the enigmatic White Sea, the classic M.S. SERENISSIMA offers you a unique experience during this extraordinary journey to admire the fairytale settings of Norway’s legendary fjords and isolated villages with onion-domed and wooden architecture and tour the seldom-seen side of 15th-century monasteries in the rarely visited Solovetsky Islands, a UNESCO World Heritage site.

This custom-designed itinerary also offers once-in-a-lifetime opportunities to explore the living heritage and ancient cultural riches of Europe’s far North, including the proud history of the Arctic pioneers and the ancient customs of the Sami, the indigenous people of Lapland, or Scandinavia.

We also invite you to complement your cruise with the extraordinary Wonders of Norway and Flåm Railway Pre-Program Option—enjoy one of the greatest train journeys in the world aboard the Flåm Railway, cruise through stunning fjordlands and visit the vibrant city of Bergen.

Be among the few to experience this exceptional and exclusive small-ship voyage to the Arctic frontier. It is a great value—all accommodations, meals aboard the ship and excursions are included. Make your reservation today, while Early Booking Savings and space are still available!

Sincerely,

Kate Heilman

U.S.  
Friday, July 17
Depart the U.S. for Oslo, Norway’s capital.

**Oslo, Norway**  
**Saturday, July 18**
Arrive in cosmopolitan Oslo and transfer to the Five-Star **GRAND HOTEL OSLO**, ideally located near the Royal Palace, shops and gardens. The remainder of the day is at leisure.

**Oslo/Cross the Arctic Circle/  
Tromsø**  
**Sunday, July 19**
Fly to Tromsø, the thriving port city located above the Arctic Circle, inhabited since the end of the Ice Age and known as the “Gateway to the Arctic.” A major center for whalers, fishermen and walrus hunters, Tromsø was used by great polar explorers like Roald Amundsen, Umberto Nobile and Fridtjof Nansen as a starting point for their expeditions. See the Tromso Domkirke, consecrated in 1861 and Norway’s largest wooden cathedral, and visit the Tromsø Museum for fascinating exhibits on Norway’s nature and culture, including the traditions of the Sami, an indigenous Scandinavian people culturally distinct from the Vikings. Across the Tromsø Bridge, see Tromsdalen’s stunning Ishavskatedralen (Arctic Cathedral), often called the “opera house of Norway” and compared to the Sydney Opera House in Australia. Built in 1965, the A-frame church evokes a Sami tent as well as the iciness of a glacier. It is perhaps best known for the Victor Sparre-designed stained-glass windows set in the cathedral’s triangular exterior, soaring 75 feet high.

This afternoon, embark the small classic ship **M.S. SERENISSIMA**. Attend the Captain’s Welcome Reception tonight and, following dinner, savor the Midnight Sun’s lingering light from the ship’s deck.

**Honningsvåg for North Cape**  
**Monday, July 20**
Dock in the town of Honningsvåg this morning for the excursion to the northernmost point in Europe. En route, visit an authentic **lavvo**, the customary nomadic abode of the Sami, Lapland’s indigenous people. Meet with local Sami and learn firsthand about their unique culture, including their native dress, traditional methods of fishing and semi-nomadic reindeer herding and how they have survived for centuries in the harsh Arctic climate.

Arrive at beautifully stark North Cape, the final frontier of Arctic Europe. Near the iconic globe monument, stand at the edge of its dramatic cliffs and gaze across the water toward the North Pole for an “edge-of-world” sensation. Enhance your Arctic experience at the North Cape Hall, built into the side of a cliff, and tour the underground tunnel exhibitions detailing the North Cape’s storied history.

Cruise the Barents Sea during the stunning Norwegian Midnight Sun and look for minke and humpback whales and harbor porpoises.

Murmansk, Russia
Tuesday, July 21
Founded in 1916 and once the preeminent port of the Russian whaling fleet and the base of Soviet naval operations in the Arctic, today Murmansk is the largest city north of the Arctic Circle. Its ice-free harbor is the base of a thriving fishing industry and Russia’s only port with unrestricted access to the Atlantic Ocean and world sea routes.

On the panoramic tour of this honorary “hero city,” a title awarded for outstanding heroism during World War II, see the Memorial to the Defenders of the Polar Region. Visit the modest Allied Cemetery, a memorial to American, British and Polish seamen who perished while participating in the massive joint effort by the Allies and then Soviet Union to convoy supplies into Murmansk via the Arctic waters. Near the shore, visit the bright-white, gold-domed Savior-on-the-Waters Church, built to honor perished seamen, and the adjacent “Kursk” memorial, dedicated to the submariners who died in peacetime.

Tour the National Museum, which documents the region’s exotic natural and cultural history with special exhibits devoted to the Sami and the Pomors, the first Russian settlers in the Polar region.

Cruise the remote coastline and enjoy the majestic White Nights of Summer.

Solovetsky Islands
Thursday, July 23
Inhabited since the fifth century B.C., this isolated archipelago became the center of Christianity in the north during the 15th century after monks founded the Solovetsky Monastery. On the tour of this rarely visited UNESCO World Heritage site, learn more about the monastery fortress’ storied history as one of Russia’s holiest pilgrimage destinations as you walk along the monastery’s impregnable stone walls and visit its many churches, chapels and common buildings through a network of covered passages and tunnels. Gain insight into its inglorious transformation into one of Russia’s most notorious gulags (prison camps) during the era of Joseph Stalin. The history of the “mother of the gulag,” which famously

**Arkhangelsk**

Friday, July 24

Founded more than 400 years ago by Ivan the Terrible, Arkhangelsk’s wooden architecture, typical of many northern frontier towns, left it vulnerable to a series of fires. Despite these misfortunes, Arkhangelsk’s oldest extant building dates from the mid-16th century.

During this morning’s city tour, view impressive monuments to Peter the Great, the Great Patriotic War Memorial and visit the Museum of Fine Arts, which houses an exquisite collection of Russian art dating from the 14th century to the present.

**Cruising the Barents Sea/ Cross the Arctic Circle**

Saturday, July 25

Enjoy a day at leisure while cruising across the Arctic Circle and into the Barents Sea, which supports a thriving ecosystem of marine life and some of the world’s largest seabird colonies. Look for puffins, little auk, common guillemot, razorbill and black guillemot who feed within a 60-mile radius from their nesting cliffs along the Barents Sea. This evening, attend the Captain’s Farewell Reception and savor a final opportunity to bask in the unforgettable beauty of the White Nights of Summer.

The small classic ship M.S. SERENISSIMA, following a complete refurbishment, re-entered service under new ownership in 2013. The descendant of a long line of sturdy Norwegian coastal steamers, this exclusively chartered, 90-passenger vessel perfectly fits the profile of small ship cruising and was built specifically to navigate these scenic waters, dock in the heart of historic cities and sail into smaller, remote ports inaccessible to larger ships.

Each comfortable Suite and Cabin is attractively furnished in charming Gustavian style, an 18th-century Swedish country ambiance that perfectly suits this vessel. Executive Suites feature private balconies; the two Owner Suites are exceptionally large with wrap-around ocean-view windows; and most cabins are ocean view. All accommodations feature a private bathroom with shower, individual climate control, telephone, satellite television, safe and hair dryer. The M.S. SERENISSIMA is a traditional vessel, and each cabin is unique, with variances in size and configuration.

The light and airy Venice Restaurant accommodates all guests at a single, unassigned seating. Buffet breakfast, buffet lunch, afternoon tea and four-course dinner are served daily featuring tasteful continental cuisine and local specialties. Complimentary house wines, beer, soft drinks and mineral water are served with lunch and dinner.

The inviting public areas include an all-teak Sun Deck with teak deck chairs, spacious observation deck, two lounges, library with computers and Internet access, fitness room and massage services. The ship also offers laundry service and has an elevator.

The M.S. SERENISSIMA meets the highest standards of safety requirements and has Rolls Royce stabilizers. The English-speaking, European crew provides courteous, professional service, and there is a physician on board.

**The Romantic White Nights of Summer in the Land of the Midnight Sun**

Each year, at the height of summer as the warm, soft pastel sunlight of the White Nights lights the distant horizon, the peoples of Scandinavia celebrate the return of summer to their homelands. From the majestic fjord country of the Norwegian coast to the rustic fishing villages of the North Cape and the White Sea, friends and families congregate at festive gatherings, couples escape for long evening strolls and young revelers toast the possibilities of summer before the long winter returns.

On display for just a few fleeting weeks, the natural phenomenon of the White Nights occurs only in the most northern climes where a prolonged twilight extends late into the night and the sun makes only a slight dip below the horizon before reappearing. During this brief respite from the long Arctic winter, snow drifts give way to emerald green meadows, the forests teem with birds flocking from the south and hazy orange and pink skies seemingly melt into the glistening northern seas. From ancient Viking storytellers to the great Russian novelists, the sublime beauty of this magical season has provided inspiration for many of history’s greatest composers, poets and writers. Experience the majestic landscapes of the Norwegian fjordlands and the expansive White Sea at their most spectacular—amid an atmosphere of romantic beauty like no other.
