Thank you to all the new members, who helped us achieve record-breaking success during the University of Chicago Campaign: Inquiry and Impact.

The Phoenix Society honors individuals who make estate commitments or life-income arrangements to support the University of Chicago. Such gifts provide important ways to strengthen and sustain the University’s future.

You can become a lifetime member by funding a life-income gift or simply notifying us that you’ve planned a gift to the University in one of the following ways:

- included the University in your will or trust
- named the University as a beneficiary of a retirement plan, life insurance policy, or financial account
- included the University in your will or trust
- provided important income arrangements
- made estate commitments or life-income arrangements
- because you want to help us that you’ve planned a gift to the University
- named the University as a beneficiary of a retirement plan, life insurance policy, or financial account
- included the University in your will or trust
- provided important income arrangements

As a member, you will receive several benefits (including but not limited to):

- a special memento
- access to exclusive University events, programs, and publications
- personalized assistance from gift planning professionals
