WHAT IS THE DIFFERENCE BETWEEN AN ALUMNI CLUB AND AN AFFINITY GROUP?

ALUMNI CLUBS
Local volunteers with the support of the Alumni Association lead regional or international alumni clubs. Local UChicago Alumni Clubs are always looking for new volunteers to help create, plan, and staff events across the country and around the world. Volunteers connect alumni, friends, and families with the University and to each other through a range of events. The Alumni Association relies on partnerships with active volunteers to conduct local programming that engages alumni of all schools, divisions, and generations.

AFFINITY GROUPS
UChicago Affinity Groups allow alumni to continue their association with the University of Chicago by engaging with each other around shared interests and identities. Whether it’s military service or the arts, degree concentration or career, there are alumni in every region who have something in common.
